

November 2022 OVERNIGHT OUTING AND COMMON DIG

November 4th, 5th and 6th

At the September Membership Meeting it was decided that there would be a Membership Meeting November 1st at Ellie Towne Community Center. The following weekend will be the Overnight Outing on the road to Kentucky Camp.

Once again we will camp on the road to Kentucky Camp and the Hope Claims. The road to the campsite takes off State Hwy. 83, .7 miles south of MP 38. Go .8 miles to road #163 at the “Kentucky Camp” sign, travel 2.9 miles to the campsite which is .7 miles past the USFS boundary. The road is in good condition and it can be traveled in a car.

We have already begun planning for the November Overnight Outing in which we will have food. Any help you can give is appreciated, if you would like to lend a hand contact Ralph, David or Becky, their numbers are on page 11 of this Gazette.

Dan Walker will hold a nugget shoot. After the Nugget shoot there will be a common dig. This is a great chance for new members to learn about the use of different types of equipment and techniques. Panning lessons will be given. Joe Marihugh is bringing 300 gallons of water for all to use at the common dig. Feel free to bring any equipment you may want to sell as there will be a good turnout with folks who are looking their first piece of equipment or upgrading from what they have.

Becky Marihugh is spearheading the event and has great plans for preparing the food so it will be safely prepared and served. The meal will consist of hamburgers, hotdogs, salad and all the fixings. Everyone is welcome to bring a potluck dish that will be served safely by gloved members.

Friday evening we will have a Crock Pot cook-off, so bring your crockpot filled with your favorite recipe to share with the group. Depending on the weather and wind conditions We may set up a screen and show a movie with the new projector when it gets dark Friday evening. We are planning to show Deepwater Horizon

There will be a raffle for gift cards, store merchandise and other items to be given away at the end of the day. To defray the cost of the event we will be charging \$6.00 a plate for Saturdays meal.

We're looking forward to seeing everyone there and once again having a meeting. For the sake of the clubs finances we hope for lots of members to attend and lots of raffle tickets to be sold.

Membership Meeting

1st TUESDAY OF EVERY MONTH @ 6:00PM

The public facilities have opened again so we can look forward to having meetings live and in person. We are looking forward to seeing our group get together on a regular basis once again. We hope to continue to be able to continue to broadcast the meeting with the Zoom application so we can catch those folks who cant make it out or can't make it to Tucson.

A special word of thanks goes out to Kim Ransom who is the holder of the zoom account . At the time we are without a Vice President so if you have any ideas for a speaker contact any officer or board member. The board of directors voted in the past to reimburse any speaker up to \$300 for travel expenses.

The President's Corner

Hello to all the Desert Gold Diggers members.

Hope everyone's doing fine. Want to give shout to all the new members that have come out to the outings last couple months. And especially to the young families.

Well they say fall is here still expect a few hot days but hopefully the temperature be starting to drop I know a lot of your members have been waiting for cooler weather to get out and enjoy the claims. The Bruiser and The Wishful claims have been doing pretty nice. Unfortunately the bruisers kind of hard to get into four wheel drive for Bruiser 3 preferably.

Just a reminder now the cooler weather is coming keep your eyes out for rattlesnakes or any stinging or biting creatures snakes will be out warming up and hunting for food before they hibernate just like bears. Still be prepared have water and your essential items when you go out can't stress to let someone know where you're going.

Happy Hunting there is still a little bit of yellow stuff out there until somebody hits the big strike.

Ralph Montano

Membership Meeting Minutes September 6th membership meeting

>President Ralph Montano called meeting to order at 6:03pm

>We opened with the pledge of allegiance

>He introduced any new members and guest, announced birthdays and anniversaries.

>Dan Walker reported outing at bruiser 2 and 3 on September 10th, meeting at circle K at 7am, we will have a detector hunt then head to claims

>September 13th at IHOP will be a claims steward meeting so if you're a steward show up.

>Ralph build a mini highbanker that's he is donating to the club to be raffled off at the Christmas party. They will be 2 dollar tickets start selling next meeting.

>The 1/4 oz. will be raffled at this evenings meeting.

>November overnight outing will be at the hope claims at the usual camp spot on November 4, 5, and 6.

>Ralph asked members to have a vote on whether they want November membership meeting in town or at outing and voted 20 for in town and 19 for at outing so we will have a November meeting at Ellie Towne center.

>Dave put a video on the screen on how to identify new prospecting areas in a creek or around old tailings.

>It was stated we do still need a vice president to volunteer, job title included guest speakers and covering for Ralph.

Ralph adjourned the meeting at 7:18 pm.

The June/July 2023 will be the last edition of the Gazette that I will put out. Please start thinking about the possibility of taking it over. I am willing to work with anyone to get them trained in its publication.

If anyone has anything they want to put in the Gazette, such as photos, articles, book reviews etc. feel free to contact me at goldgazette45@gmail.com and be sure to post your adventures on the Facebook page Desert Gold Diggers Inc.

Due to the lack of an available quorum of board members the July Business Meeting was cancelled.

Due to the unavailability of Ellie Towne Community Center being used as a precinct location for the Arizona Primary election the August Membership Meeting was cancelled.

Business Meeting Minutes August 16 2022

Club chairman Kay Jenkins noted a forum and called the meeting to order at 6:33 pm.

Dave read previous minutes and Becky motioned to approve them, Kay seconded.

- Becky with members report, 5 new members, 8 non renewals with a current total of 344 members. She stated the online needs badge fee upped to \$20 and total fee to \$65.
 - Webmaster, Carl was absent for medical reasons.
 - Eric gave the treasure report, claims fee came outsourcing had a negative month. Still having problems with Wells Fargo in regards to the club reclamation bond. Possibly cancel it and move to Chase where they are helpful. We are barely making it on money and need to find ways to cut.
 - Prices of things, possibly transfer claims to get small miners discount but takes a year so something to think about. We just have to think of every little way to save money.
 - Gold Masters Report, Bob wasn't there and Eric is working with him to have a system of always knowing how much gold we have and gave away.
 - Dave is coming along at usual pace on the Gazette, might go through some old Gazette for good old articles.
 - Ralph is working on a guest speaker, the Tucson Corral of the Westerners history group.
 - We need start getting volunteers and plans put together for the November Overnight Outing.
 - Dan Walker gave the Outing report, August 7th at Wishful. 23 members attended with metal detect hunt and went to claim to prospect. There was no water flowing so had to bring it. The next outing is at Bruiser 2 and 3 on September 10th at 7 am at the Circle K.
 - Claims report. Ralph adjusted Wishful 3 and 4 signs, Bruiser maps need updated on how to get there. September 23 is claims meeting at IHOP at 6:30 pm.
- Old business.
- Ralph made a mini highbanker and wants to raffle it off at November outing. A motion was made to pay Ralph for materials on building the sluice, Dave motioned to approve and Lewis seconded it.
- New business
- November outing Dave and Becky will be in charge bringing food. Ralph said we need test and clean grill and need new chairs possibly? We will be having outing at hope claims at Gardner Canyon area on the Kentucky Camp road
 - The question was brought up to have the membership meeting at the November outing or the previous Tuesday at Ellie Towne, it was decided to poll the membership at September's meeting.
 - We will set up demonstrations for newcomers on panning and set up sluices etc. For demonstrations. We need volunteers to help set up tables and chairs and shade and take down going to have hamburgers hot dogs and beans.

Southwest Mining Towns

Charleston/Millville

A typical problem in the mining industry is water for processing the ore. Pumping technology was before the turn into the 20th century was weak at best causing the need for mills to be built along streams. This situation gave the rise to Charleston, Arizona on the west banks of the San Pedro River and Milltown on the east bank. 2 stamp mills were set up in Millville, one operated by tombstone Milling and Mining, the other by Corbin Milling and Mining.

The mill sites stayed on the East bank of the San Pedro River as the sand in the creek bottom was so soft the ore wagons couldn't cross it and there was substantial quicksand in the area. When the sites for the mills was decided upon Amos Stowe took out a claim in October of 1878, using the Homestead Act rules, on the land which was to become Charleston. Stowe was wise in the development of the townsite, meticulously laying out 26 blocks of 16 lots each, he made such good leasing options there were 40 buildings and a post office within six months. The town of Charleston was named after the postmaster, Charles Handy, Millville also had a post office but shut down after about a year as it was apparent the main residential area would be Charleston.

Justice of the peace, James Burnett, after a disagreement with the Cochise County Board of Supervisors declared a sort of sovereignty of court dealing out justice immediately upon his decision. His fines included the confiscation of livestock to chopping large amounts of firewood. Burnett was a dictator of sorts until the town's demise in 1889, some stated because of his forceful influence Charleston was one of the most peaceful towns in the area.

The Sonoran Earthquake on May 3rd 1887 along with its aftershocks brought to town to ruins destroying every adobe structure in the area. Along with the demise of the mines in tombstone due to flooding the mills closed and the Post Office shut down October 24, 1888. Much of the wood that remained was scavenged as firewood. Soldiers from Fort Huachuca did some urban warfare training at the Charleston site during World War II, referring to the site as Little Tunisia due to the local climate. Little can be seen of the townsite today as the San Pedro has taken much of it away due to erosion.

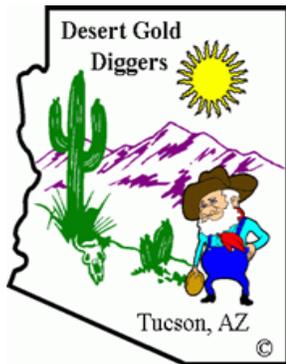

There are rough trails that lead to the townsite of Charleston along the river from Charleston road about half way between Tombstone and Sierra Vista. It is said the BLM has begun some improvements to the trails.

Zoom Meeting Option for October and November Membership Meeting

On October 4th and November 1st we are going to have our monthly membership meeting on Zoom which is a computer teleconferencing software. It is SUPER easy to use Just click on the highlighted link in the meeting announcement email, then join Zoom and download it. It is free and our meeting will be held using secure protocols. You can also dial into zoom. The phone numbers will be in the announcement. If you have a smart phone you will be able to see everyone, but if not, you will still be able to talk and hear everyone. And here's the really cool thing..... If you are out of state for the summer, you can still attend!

So Welcome back to our winter visitors.

We realize you would rather meet in person, but we just can't right now. Our meeting is too large to social distance properly for your safety (required by the county) and it's just too hot outside. We are still having outings and we are hoping that we will be able to have a regular meeting soon.

I will be available for you to log early if it's your first time and you need help. Also, you can call me direct at 520-333-8651 if you need help or have any questions.

Time: 6:00 Date: October 4th, 2022 and November 1st, 2022 DGD General Membership Meeting

OUTING DIRECTORS REPORT

AUGUST 7th 2022 DGD Wishful Thinking OUTING DIRECTORS REPORT

We met at the general store in Arivaca at 7:00AM Sunday morning, 23 members were in attendance for our outing. We started the outing by having a metal detector hunt at the Yellow Jacket Mine Road. There were 3 nugget coin targets, 3 \$2 bill targets and 17 dollar coin targets of which 2 nugget tokens, 2 \$2 bills and 15 dollar tokens were found. The target numbers were matched to a random numbered list.

After the hunt, we went to Wishful #1. The creek bed was damp with water near bedrock. We had to use water brought in from home for concentrating the material. This was a good outing with the weather being in the low 80's. All the concentrates were panned on site so everyone saw what was recovered. Overall the outing was a great success. every one seemed to be having a good time.

Next month the outing will be to the Bruiser Claims meet SEPT. 10TH (SAT) BRUISER CLAIMS 7:00 AM 1ST CIRCLE K IN ORACLE.

Thanks to all for their attendance.

Happy Hunting till next month.

Dan

SEPTEMBER 2022 DGD OUTING DIRECTORS REPORT

Bruiser 2 & 3

We met at the Circle-K store in Oracle at 7:00 AM Saturday September 10th. We had 33 members including 3 Guests. We held our metal detector hunt where the off road vehicles off load their side by sides. There were 24 one peso coins planted 3 worth a gold nugget, 3 worth a \$2 bill and 18 worth a dollar coin. All coins were found.

After the hunt we went to Bruiser 2 and 3 for our prospecting outing, the area had recent rains, the gravels were quite dam with no pooling water but some after digging down.

There was quite a traffic problem getting to the areas worked. A couple of vehicles got stuck on Bruiser 3 this claim is for four will drive vehicles only. We fanned out over the claims and were able to get some nice gold. Shawn found a nice piece of wire gold. Everybody seemed to be having a good time. Our club president was able to pull out a stuck 2 wheel drive truck to save the day, We packed up around 4:00 PM and headed back to town.

Thanks to all for their attendance.

Happy Hunting till next month. Dan

FILL YOUR HOLES!!!!!!

It's happening again, there are holes being left open on the claims. The Forest Service has just mounted a huge gate at the entrance to the wash at the Bruiser 2 claim and there is no doubt they are looking for an excuse to close it, we can't afford to give them that excuse! The level of activity our club is involved in requires the holes to be filled and other restrictions are in place so we don't have to develop and expensive plan of operations.

Guests on the club claims

With the ongoing restrictions caused by the recent pandemic and our inability to have a meeting I encourage the members to take anyone they know is interested in gold prospecting out to the claims as a guest and to the outings. The general rule is to allow people on the claims as a guest once so if you see they have an interest in the club please direct them to the website or give Ralph Montano at 520-993-0945.

2 contiguous patented mining load claims in Pima County surrounded by Tohono-O'odham Reservation in the Cababi Mining District.

Golden West 18.93 Acres Pima County parcel #402-01-2080
Golden Cross 18.93 Acres Pima county Parcel #402-01-2090
they are located about 9 miles NNW of Sells

A patented claim gives **the miner the right to both the minerals and the land itself**. Since the government approved a patent request, it transferred property title to the miner. At that point, the miner can explore, extract the minerals or build permanent mining structures and a home.

To see the public information about these claims go to:

<https://gis.pima.gov/maps/landbase/parsrch.htm> and enter the parcel number into the parcel search window which you will take you to Assessors information. To see their location on a map scroll down and click on Pima Maps Main. The owner, Shiela Powell is asking \$50,000 each for these claims, She can be contacted at 520-578-1976
